

FROM (DEPT/ DIVISION): County Counsel

SUBJECT: Enterprise Fleet Management

<p>Background:</p> <p>County staff has researched the ability of the county to contract for the management of the county owned vehicles. Fleet management would review the vehicles needed for the County and manage when vehicles are needed to be replaced. The fleet management should result in less vehicles and reduced cost by selling vehicles at optimum time for higher return. Enterprise Fleet Management has been awarded a SourceWell contract that the County could utilize. The recommendation is to enter into a contract for fleet management and implement change over on department basis.</p>	<p>Requested Action:</p> <p>Approve agreement with Enterprise Fleet Management and authorize chair to sign any necessary contracts.</p>
