

AGENDA ITEM FOR ADMINISTRATIVE MEETING () Discussion only
(X) Action

FROM (DEPT/ DIVISION): County Counsel

SUBJECT: Airport Road

<p>Background:</p> <p>Anderson Perry is in the process of finalizing the design for Airport Road. Based upon the fact a portion of the right-of-way has been impacted in one form or another by adjoining landowners, the Board is aware there may be a need to work with individual property owners in an attempt to mitigate the impact whenever possible based upon varying circumstances. In order to assure the voices of individual property owners be heard and that their specific interests and needs are addressed, the proposal is to have representatives from Anderson Perry, the road department and a commissioner meet with any interested individual property owner on an appointment basis. Possible measures would include the location of utilities, possible easements for items encroaching on the road right of way, relocation of fences or any other relevant issues that might need to be discussed. The matter is before the Board for discussion and approval.</p>	<p>Requested Action:</p> <p>Approve plan for engineer, County Road representative, Commissioner, and others deemed necessary, to meet with individual property owners adjacent to Airport Road.</p>
