Statewide Nonpartisan

Measure No: 094

Caption: Amends Constitution: Eliminates mandatory retirement age for state judges

Result of Yes: "Yes" vote amends constitution, state judges not required to retire from judicial office after turning 75 years old. Statutes cannot establish mandatory retirement age.

Result of No: "No" vote retains constitutional provisions requiring state judges to retire from judicial office after turning 75 years old, authorizing statutes establishing lesser mandatory retirement age.

Summary: Article VII (Amended), section 1a, of the Oregon Constitution, requires state judges to "retire from judicial office at the end of the calendar year" in which they turn 75 years old. Section 1a(1) authorizes laws that establish a lesser age--not younger than 70 years--for mandatory retirement. Measure amends constitution to remove provision requiring mandatory retirement at age 75, as well as provision authorizing statutes requiring mandatory retirement at age 70 or older. Measure retains constitutional provision that authorizes statutes permitting retired judges to be recalled to temporary active service. Measure retains constitutional provision that authorizes laws permitting or requiring judges to retire due to a physical or mental disability or any other cause that renders them incapable of performing their judicial duties.

Financial Impact: There is no financial impact to state revenue or expenditures. There is no financial impact on local government revenue or expenditures.

Measure No: 095

Caption: Amends Constitution: Allows investments in equities by public universities to reduce financial risk and increase investments to benefit students.

Result of Yes: "Yes" vote allows public universities to invest in equities to reduce financial risk and increase funds available to help students.

Result of No: "No" vote prevents public universities from investing in equities.

Summary: This measure allows investments in equities by public universities to reduce financial risk and increase investments to benefit students. Additional investment income could benefit students by minimizing tuition increases and enhancing student programs.

Financial Impact: This measure amends Article XI, section 6 of the Oregon Constitution to exempt public universities from a constitutional prohibition on ownership by the State of stock of any company, association, or corporation.

There is no financial effect on either state or local government expenditures or revenues required by the measure. The revenue and expenditure impact on public universities is dependent upon decisions by each university on the type and amount of private equity in which they choose (or choose not) to invest, and on the return on these investments.

Statewide Nonpartisan

Measure No: 096

Caption: Amends Constitution: Dedicates 1.5% of state lottery net proceeds to funding support services for Oregon veterans

Result of Yes: "Yes" vote dedicates 1.5% of state lottery net proceeds to fund veterans' services, including assistance with employment, education, housing, and physical/mental health care.

Result of No: "No" vote retains current list of authorized purposes for spending state lottery net proceeds; 1.5% dedication to fund veterans' services not required.

Summary: Amends Constitution, dedicates lottery funding for veterans' support services. Currently, constitution requires that state lottery proceeds be used to create jobs, further economic development, and finance public education; dedicates some net lottery proceeds as follows: 18% to finance education stability fund, 15% to finance state parks, restoration and protection of native fish and wildlife, watersheds, water quality and wildlife habitats, 15% to finance school capital matching fund. Measure dedicates 1.5% of lottery net proceeds to fund services for Oregon veterans. Veterans' services include assistance with employment, education, housing, physical/mental health care, addiction treatment, reintegration, access to government benefits, and other services for veterans, spouses and dependents. Other provisions.

Financial Impact: This referral amends the Oregon Constitution to dedicate 1.5% of net proceeds from the State Lottery to be deposited in a veteran's services fund, to be created by the Legislature. The money in the veteran's services fund is to be expended on veterans' services, which may include: (1) reintegration, employment, education benefits and tuition, housing, physical and mental health care and addiction treatment programs; (2) assistance for veterans or their dependents to access state and federal benefits; or (3) funding for services provided by county veterans' services officers, campus veterans' service officer or nonprofit or tribal veterans' services officers. The referral defines a veteran as a resident of the State of Oregon who served in the Armed Forces of the United States.

Based on the June 2016 forecast from the Office of Economic Analysis 1.5% of net lottery proceeds for veterans' services would be approximately \$9.3 million annually for the 2017-19 biennium. This measure would not have an impact on the constitutionally dedicated amounts for the Educational Stability Fund or the Parks and Natural Resources Fund. The measure does not affect the overall amount of funds collected for or expended by state government. The measure would result in an expenditure shift of \$9.3 million annually, during the 2017-19 biennium, to the Veterans' Services Fund from economic development and public education expenditures.

Statewide Nonpartisan

Measure No: 097

Caption: Increases corporate minimum tax when sales exceed \$25 million; funds education, healthcare, senior services

Result of Yes: "Yes" vote increases corporate minimum tax when sales exceed \$25 million; removes tax limit; exempts "benefit companies"; increased revenue funds education, healthcare, senior services.

Result of No: "No" vote retains existing corporate minimum tax rates based on Oregon sales; tax limited to \$100,000; revenue not dedicated to education, healthcare, senior services.

Summary: Current law requires each corporation or affiliated group of corporations filing a federal tax return to pay annual minimum tax; amount of tax is determined by tax bracket corresponding to amount of corporation's Oregon sales; corporations with sales of \$100 million or more pay \$100,000. Measure increases annual minimum tax on corporations with Oregon sales of more than \$25 million; imposes minimum tax of \$30,001 plus 2.5% of amount of sales above \$25 million; eliminates tax cap; benefit companies (business entities that create public benefit) taxed under current law. Applies to tax years beginning on/after January 1, 2017. Revenue from tax increase goes to: public education (early childhood through grade 12); healthcare; services for senior citizens.

Financial Impact: The measure is anticipated to increase state revenues by \$548 million from January 1st to June 30th of 2017, and approximately \$3 billion for every year beginning July 1st after that.

The financial impact on state expenditures by program is indeterminate. The increased revenue will require increased expenditures by the state in the areas of public early childhood and kindergarten through grade 12 education, health care, and senior services, but the exact amount and the specific uses within the three identified programs cannot be determined.

Although there is no direct financial effect on local government expenditures or revenues, there is likely to be an indirect and indeterminate effect on the state economy and local government revenues and expenditures.

Statewide Nonpartisan

Measure No: 098

Caption: Requires state funding for dropout-prevention, career and college readiness programs in Oregon high schools

Result of Yes: "Yes" vote requires state legislature to fund dropout-prevention, career and college readiness programs through grants to Oregon high schools; state monitors programs.

Result of No: "No" vote retains current law: legislature not required to commit funds to career-technical/college-level education/dropout-prevention programs, retains discretion to allocate funds.

Summary: Currently, the Oregon legislature provides General Fund revenues to the State School Fund based on constitutionally required quality goals; those funds are distributed directly to school districts under a specified formula. Measure requires legislature to separately provide at least \$800 per high school student --adjusted upward annually for inflation/population--to a Department of Education (ODE) administered account. ODE distributes those funds to school districts to establish or expand high school programs providing career-technical education, college-level courses, and dropout-prevention strategies. School districts must apply for grants, meet specified requirements. Districts may use limited portion of fund for administration costs but not unrelated activities. ODE monitors school district performance, ensures compliance, facilitates programs; Secretary of State audits biannually. Other provisions.

Financial Impact: The measure does not affect the aggregate amount of funds collected or expended by state or local government.

The measure does, however, commit a minimum increase of \$147 million annually to expenditures on career and technical education, accelerated learning and high school graduation improvement programs. This number could be lower if state revenues do not grow by \$1.5 billion in the 2017-2019 biennium.

Because the measure does not raise additional revenue, the measure specifically provides that the Legislature determine how these program expansions will be funded.

Statewide Nonpartisan

Measure No: 099

Caption: Creates "Outdoor School Education Fund," continuously funded through Lottery, to provide outdoor school programs statewide

Result of Yes: "Yes" vote creates separate fund, financed through Oregon Lottery Economic Development Fund and administered by Oregon State University (OSU), to provide outdoor school programs statewide.

Result of No: "No" vote rejects creation of fund to provide outdoor school programs statewide; retains current law under which OSU administers outdoor school grants if funding available.

Summary: Presently, Oregon does not fund outdoor school programs statewide, but, under current law, OSU assists school districts by awarding grants according to specified criteria and providing program maintenance, conditioned on funding. Measure creates separate "Outdoor School Education Fund" (Fund) that is financed by Oregon State Lottery money distributed for economic development. Caps annual distributions of Lottery revenues to Fund. Specifies Fund's purpose to provide every Oregon fifth- or sixth-grade student week-long outdoor school program or equivalent. Continuously appropriates Fund to OSU to administer and fund outdoor school programs statewide consistent with current law's grant program criteria; may require Fund dispersal outside of grant program. Allocations to Fund shall not reduce lottery proceeds dedicated under Oregon Constitution to education, parks, beaches, watersheds, fish, wildlife.

Financial Impact: This measure amends Oregon Revised Statutes to dedicate a portion of lottery proceeds for a statewide outdoor school program. In 2015, the Oregon State Legislature established an Outdoor Education Account for the purpose of funding a six day, residential, hands-on outdoor school program or equivalent for fifth and sixth grade students across the state. The Legislature did not provide funding at that time. This measure would affect distributions from the Department of Administrative Services Economic Development Fund. It dedicates the lesser of the following two amounts to the Outdoor Education account: either four percent of the quarterly transfers to this fund or \$5.5 million quarterly, with a maximum of \$22 million each year.

The measure would result in an expenditure shift of \$22 million annually to the Outdoor Education Account from the Department of Administrative Services Economic Development Fund. The measure does not affect the overall amount of funds collected for or expended by state government. This measure would not have an impact on the constitutionally dedicated amounts for the Educational Stability Fund or the Parks and Natural Resources Fund.

Statewide Nonpartisan

Measure No: 100

Caption: Prohibits purchase or sale of parts or products from certain wildlife species; exceptions; civil penalties

Result of Yes: "Yes" vote prohibits purchase/sale of parts/products from certain wildlife species; exceptions for specified activities, gift/inheritances, and certain antiques/musical instruments; civil penalties.

Result of No: Maintains current Oregon law which does not prohibit purchase or sale of parts or products from species not native to Oregon, except for shark fins.

Summary: Existing Oregon law does not prohibit sale of wildlife parts/products for non native species, except shark fins. Existing federal law does not prohibit intrastate sales of wildlife parts, with exceptions. Measure amends ORS 498.022 to prohibit purchase, sale, or possession with intent to sell of parts/products from elephant, rhinoceros, whale, tiger, lion, leopard, cheetah, jaguar, pangolin, sea turtle, shark, ray. Imposes civil penalties. Creates exceptions: law enforcement activities; activities authorized by federal law; fish managed under federal plan; certain antiques (over 100 years old) and musical instruments with less than 200 grams of parts; noncommercial transfers through estates, trusts, gifts; possession by tribal members. Other exceptions. Fish and Wildlife Commission may adopt rules, including prohibiting purchase/sale of parts "closely" resembling listed species parts.

Financial Impact: There is less than a \$100,000 financial effect on state government expenditures or revenues. There is no financial effect on local government expenditures or revenues.

Contest Total: 7

City of Hermiston

Measure No: 30-119

Caption: Prohibit sale, manufacture, warehousing, and distribution of marijuana in city.

Question: Shall the City of Hermiston prohibit the sale, manufacture, warehousing, and distribution of marijuana in the city's commercial zones?

Summary: The City of Hermiston is eligible to prohibit the sale, manufacture, warehousing, and distribution of marijuana within the city limits under the provisions of HB 3400. The city council chose to adopt the prohibitions allowed under HB 3400 and to refer the question of prohibition to the voters of the city. If passed, sale, manufacture, warehousing, and distribution of recreational and medical marijuana will not be allowed in the city's commercial and residential zones.

Contest Total: 1

City of Milton-Freewater

Measure No: 30-058

Caption: MILTON-FREEWATER, APPROVAL OF LOCAL BAN ON MARIJUANA BUSINESS ACTIVITIES

Question: Shall Ordinance 975, banning certain marijuana business activities, be approved and continue in force?

Summary: Oregon State law allows and regulates certain marijuana business activities subject to the option of local jurisdictions to condition or ban them. On 12\14\15 the City Council adopted Ordinance 975 banning the business of marijuana processing, and banning marijuana dispensaries, producers, processors, wholesalers, and retailers in the City. The ban also prohibited establishing businesses for medical marijuana processing\dispensing in the City. As part of Ordinance 975, the City Council mandated a referral of the Ordinance to city electors for approval. Electors are asked whether Ordinance 975 and the local ban it imposes should continue in effect.

A "Yes" vote will approve Ordinance 975 and continue the local ban indefinitely.

A "No" vote will repeal Ordinance 975 and the local ban, which in turn will have the effect of allowing the stated marijuana business activities within the City subject to the regulatory system set up by state law.

Measure No: 30-059

Caption: MILTON-FREEWATER, APPROVAL OF 3% SALES TAX ON MARIJUANA ITEMS

Question: Shall City of Milton-Freewater Ordinance 976, allowing a 3% sales tax on marijuana items, be affirmed?

Summary: State law allows local jurisdictions to impose a sales tax of 3% of the retail sales price of items containing marijuana. The City enacted Ordinance 976 to impose the tax to be collected by the retailer at the point of sale. The Council also mandated that the ordinance be referred to the electorate.

The City Council has banned the retail sales of recreational marijuana in the City, but it has referred that ban to the electorate under a separate measure. If that ban is repealed, thereby allowing regulated recreational marijuana sales, then Ordinance 976 could be used by the City to collect a 3% sales tax on such sales.

A "Yes" vote will have the effect of retaining Ordinance 976 and allowing the imposition of the sales tax when, if ever, the ban on recreational marijuana sales is repealed.

A "No" vote will have the effect of eliminating the sales tax.

Neither a "Yes" vote nor a "No" vote would have the effect of actually allowing marijuana sales.

Contest Total: 2

City of Pendleton

Measure No: 30-116

Caption: Repeal of Local Prohibition of Recreational Marijuana Business Activities

Question: Shall City of Pendleton repeal its prohibition of recreational marijuana producers, processors, wholesalers, retailers in Pendleton?

Summary: State law allows that a city council may adopt an ordinance to be referred to the voters to repeal a previously approved prohibition of licensed recreational marijuana producers, processors, wholesalers, and retailers. Approval of this measure would repeal the city's ordinance which prohibits the establishment of recreational marijuana producers, processors, wholesalers, and retailers within the area subject to the jurisdiction of the city. If this measure is approved, along with approval of measure relating to repeal of prohibition of medical marijuana businesses, the city will be eligible to receive distributions of state marijuana tax revenues. If this measure is approved, along with approval of measure relating to repeal of prohibition of medical marijuana businesses and measure approving of local taxation of recreational marijuana businesses, the city will be able to impose a local tax or fee on the production, processing or sale of marijuana or any product into which recreational marijuana has been incorporated.

Measure No: 30-117

Caption: Repeal of Local Prohibition of Medical Marijuana Business Activities

Question: Shall City of Pendleton repeal its prohibition of medical marijuana producers and dispensaries in Pendleton?

Summary: State law allows that a city council may adopt an ordinance to be referred to the voters to repeal a previously approved prohibition of registered medical marijuana processors and medical marijuana dispensaries. Approval of this measure would repeal the city's ordinance which prohibits the establishment of medical marijuana processors and medical marijuana dispensaries within the area subject to the jurisdiction of the city. If this measure is approved, along with approval of measure relating to repeal of recreational marijuana businesses, the city will be eligible to receive distributions of state marijuana tax revenues. If this measure is approved, along with approval of measure relating to repeal of recreational marijuana business and measure approving of local taxation of recreational marijuana businesses, the city will be able to impose a local tax or fee on the production processing or sale of marijuana or any product into which recreational marijuana has been incorporated.

Measure No: 30-118

Caption: Imposes city tax on marijuana retailer's sale of marijuana items.

Question: Shall City of Pendleton impose a three percent tax on the sale in the City of Pendleton of marijuana items by a marijuana retailer?

Summary: Under state law, a city council may adopt an ordinance to be referred to voters of the city imposing up to a three percent tax on the sale of marijuana items in the city by a licensed marijuana retailer. Approval of this measure would impose a three percent tax on the sale of marijuana items in the city by a licensed retailer. The tax would be collected at the point of sale and remitted by the marijuana retailer. The city would not impose the tax if marijuana retailers are otherwise prohibited in the city. This measure would become operative only if it passes by a majority of votes and both measures repealing the ban on marijuana business activities pass by a majority of votes.

Contest Total: 3

Umatilla School District, 6R

Measure No: 30-115

Caption: BONDS FOR SAFETY, SECURITY, AND FACILITY REPAIRS, RENOVATIONS AND ADDITIONS

Question: Shall Umatilla School District construct and improve schools by issuing \$10,500,000 in bonds and receive \$4,000,000 in State grant? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: The currently estimated tax rate is not expected to increase and is estimated to extend until 2035. Actual rates may differ based upon interest rates incurred and changes in assessed value. Bonds would mature in a period not to exceed 19 years.

\$4,000,000 in State matching funds have been awarded if voters approve this measure. If voters reject the measure, these funds will be diverted to another district.

If approved, the bond and grant proceeds are expected to fund:

-Roof replacements at McNary Heights Elementary School (MHES), Clara Brownell Middle School (CBMS), and Umatilla High School (UHS),

-Entry and office remodeling to limit visitor/intruder access at MHES, CBMS, UHS,

-Security updates including cameras and electronic alarms and lock-down assistance at MHES, CBMS, and UHS,

-Plumbing, electrical, HVAC, window, flooring, and bleacher replacement at CBMS,

-Cafeteria/Multi-Purpose and learning space addition at MHES,

-HVAC DDC controls at MHES, CBMS and UHS,

-Cooling tower replacement for UHS,

-Site improvements, furnishing and equipping of projects and bond issuance costs.

Contest Total: 1

Pilot Rock Fire District, 7-401

Measure No: 30-123

Caption: Five-year Local Option Tax for General Operations

Question: Shall the District impose \$.82 per \$1,000 of assessed value to maintain its current level of service? This measure renews current local option taxes.

Summary: If approved, the tax revenue from this measure would be used to operate the District at its present level of service.

The funds generated by this measure will allow the District to continue providing emergency medical services by the Pilot Rock Quick Response Team (QRT). This is an optional, but vital, service the District has been providing since 1990.

The funds will be used to provide adequate and appropriate safety and personal protective equipment for the firefighters of the District, which enables them to engage in structural and wildland fire suppression activities.

The funds will also be used to repair, replace and maintain the District's vehicles as needed.

Contest Total: 1

East Umatilla County Health District

Measure No: 30-122

Caption: Dissolution of East Umatilla County Health District

Question: Shall the EUCHD be dissolved to form the new East Umatilla County Ambulance Area Health District?

Summary: This measure will dissolve the East Umatilla County Health District effective June 30, 2017 at 11:59 p.m. If approved, the District's current permanent tax rate of \$0.14 per \$1,000.00 of assessed valuation will be eliminated.

If this ballot measure and the measure to create East Umatilla County Ambulance and Health District are approved, EUCHD will cease operation on June 30, 2017 and transfer all of its lands, buildings, equipment and vehicles to the new Health District.

Beginning July 1, 2017, the new District will provide emergency medical services and ambulance shuttles. The District's taxing area will include the cities of Adams, Athena, Helix, Tollgate and Weston.

This measure will take effect only if the voters approve measures approving formation of the new district and its new permanent taxing rate.

Contest Total: 1

East Umatilla County Ambulance Area

Measure No: 30-120

Caption: Formation of East Umatilla County Ambulance Area Health District

Question: Shall the East Umatilla County Ambulance Area Health District be formed with a permanent tax rate of \$1.00/\$1,000 beginning FY2017-18?

Summary: A "Yes" vote forms the East Umatilla County Ambulance Area Health District, effective July 1, 2017, and establishes a permanent tax rate of \$1.00 per \$1,000 of assessed value. The district will provide ambulance services to residents in the Ambulance Service Area #5, including the Athena, Adams, Helix and Weston areas.

The East Umatilla County Health District will operate until June 30, 2017, when equipment would be turned over to the new district. On July 1, 2017, the East Umatilla County Ambulance Area Health District would begin providing services.

Property taxes will generate approximately \$300,000 annually. Taxes will pay for the current career and volunteer staff, operational expenses, and capital reserve fund.

This measure will take effect only if Measure #30-122 is also approved by the voters.

Contest Total: 1

West Umatilla Mosquito Control

Measure No: 30-121

Caption: FIVE-YEAR LOCAL OPTION LEVY FOR MOSQUITO CONTROL OPERATIONS

Question: Shall the District impose \$.05 per \$1,000 of assessed value for operating purposes for 5 years beginning 2017-2022? This measure may cause property taxes to increase more than three percent.

Summary: The West Umatilla Mosquito Control District will use the tax revenue from this measure to provide improvements to general operations, including the following:

- Maintain the response to West Nile Virus or other mosquito-borne disease.
- Continued utilization of aircraft for mosquito control operations.
- Continued outreach programs and public education efforts.
- Maintain and upgrade vehicle and equipment.
- Increased surveillance for emerging diseases including Zika virus.

The proposed levy will raise approximately \$133,000 in 2017-18, \$135,660 in 2018-19, \$138,373 in 2019-2020, \$141,140 in 2020-2021, \$143,963 in 2021-2022.

This estimate tax cost for this measure is an **ESTIMATE ONLY** based on the best information available from the County Assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate. The levy would cost the owner of a home with an assessed value of \$100,000, \$5.00 per year.
