

The Umatilla County Fairgrounds is moving and therefore we can no longer store RV's for winter. The new EOTEC facility is under construction and once finished, hopes to have the barns full of events all year long.

The Hermiston School District owns the property that the current fairgrounds sits on and intends to use the facilities for school activities.

Thank you for your many years of loyalty to the Umatilla County Fairgrounds.

**COMING**  
**Aug. 8-12, 2017**

**1705 E Airport Rd.**  
**Hermiston, OR 97838**
