Sheriff's Message

Citizens of Umatilla County,

Whether you live in a city or in the urban or rural areas of Umatilla County, you receive a wide variety of services from your Sheriff's Office. In the urban or rural unincorporated areas, Sheriff's deputies are the primary first responders when you call 911; from the Communications Deputy/Dispatcher who answers the phone, to the Patrol Deputy or Detective who responds to the scene to investigate the case, to the Corrections Deputy who manage the persons in our jail who have committed crimes. Throughout the county, the Sheriff's Office provides these same services to city residents, provides contracted police services to the cities of Athena and Weston, and we support all city police departments in the county.

We also participate in many interagency teams including the Umatilla/Morrow Major Crimes Team, the Blue Mountain Narcotics Team, and others to deal with incidents that pose a high risk to public safety, such as hostage situations, barricaded suspects, drug trafficking, and gang enforcement. These efforts are possible because of the uncommon interagency cooperation among all city and county law enforcement and support agencies, and ensure that high trained specialists are available whenever needed in any part of the county.

In addition, your Sheriff's Office assists the public with civil services, including concealed handgun licenses, and court orders; police and fire dispatch services; maintaining a safe and secure jail; court security; emergency management and disaster services; mountain safety patrols by ATVs and snowmobiles; water safety by boats; neighborhood watch programs, and search and rescue services – just to name a few.

You can be proud of the services you receive from the Umatilla County Sheriff's Office. We are working hard every day to provide the most competent, courteous and effective law enforcement services anywhere in the country. Thanks for your continued support!

Sincerely,

A handwritten signature in black ink, appearing to read "Terry L. Rowan". The signature is written in a cursive, flowing style.

Terry L. Rowan, Sheriff

Mission Statement

To professionally serve our community and consistently earn the public's trust by providing superior public safety services, and to enhance the quality of life and encourage economic development, growth and stability in Umatilla County in an ethical and fiscally responsible manner, while preserving and respecting the rights of all individuals.

What's been happening?

Your Umatilla County Sheriff's Office is dedicated to keeping our community safe, working collaboratively with our community and public safety partners, seeking and retaining professional and competent staff and demonstrating fiscal responsibility.

With these core values in mind, it is our responsibility to report to the citizens of Umatilla County on our performance. The following is a timeline of some of the major or significant events we have experienced in the past two years.

January 7th, 2013

Sheriff Terry Rowan is sworn in.

January 30, 2013 – **Sheriff activates the Major Crime Team** to investigate a violent & horrific home invasion in Milton-Freewater area.

March 1, 2013 – **Undersheriff Jim Littlefield is hired.**

April 2013

Policy Changes in Jail to keep more offenders behind bars. Matrix releases are reduced and jail population is increased. Every effort is made to hold new inmates for 36 hours, as allowed by law, while charges are pending.

February 29, 2013 -**3 suspects are arrested** in the Joyce Key home invasion case, with assistance from the Major Crime Team, OSP crime lab, Walla Walla SO and PD & Out of State Agencies.

CRIMINAL DIVISION STATUS

- **1 New Patrol Deputy Hired:** **Jason Post** previously a volunteer Reserve Deputy with UCSO.

Result: Patrol increased to 13 sworn:
8 Deputies – 2 Sergeants – 2 Detectives – 1 Lieutenant

Sheriff Rowan expressed his thanks to the UCSO Reserve Deputies volunteers for their tremendous source of support in assisting the full time patrol division with law enforcement coverage in the County.

February 10, 2014 - **Suspect Arrested in the death of Daniel Dechand**, by the Umatilla/Morrow Major Crimes Team.

January 2, 2014 – **A newly Revised Sheriff's Office Policy Manual is adopted.**

Preparations started for the
911 DISPATCH CONSOLIDATION PROJECT

with the City of Hermiston results in significant changes in the 911 Communication Center (Dispatch)

A year long process begins to move Dispatch into a larger area previously occupied by the emergency operations center during the CSEPP's existence.

Complex and extensive planning is required in the moving and expansion of a 911 Communication Center. The timing also correlated with a State of Oregon's statewide project replacing 911 answering and recording equipment across the State. The Umatilla-Morrow Radio Data District provided new radio equipment. A new Computer Aided Dispatch System and Records System was also purchased. The center required a remodel of the old and new area, as well as purchase of new Dispatch Stations.

Everything changed for the Communications Staff within in a short period of time. The Sheriff expressed his appreciation to Lt. Kathy Lieuallen and her entire staff for their hard work.

New Mission Statement and Core Values are adopted

March 10, 2014

A New Look, New Attitude Unveiled

New Uniforms, Badge, Shoulder Patches, and Patrol Vehicle designs are unveiled. All Divisions wear the same design and colors, adding a sense of unity and teamwork to the entire agency.

April , 2014 - **UCSO receives funding for additional positions.** During Budget hearings, Sheriff's Office is able to demonstrate a critical need. The Sheriff's Office restructures positions and Divisions to minimize the fiscal impact and in cooperation with the BOC and Budget Committee is given approval to fund the follow positions:

1 Criminal Patrol Position – 1 Evidence Tech – 1 Corrections Tech

April 14, 2014 - **Corrections Division reports the effects of policy change.** Jail population has increased, and inmates are being held unless forced to release. Increase in bails.

April 28, 2014 – **UCSO detectives assist in investigation of Officer Involved Shooting** by Athena PD Officer Eric Palmer's shooting was determined to be justified and he was cleared by a Umatilla County grand jury on May 22.

May 4, 2014 – **Search & Rescue locate 3 overdue fishermen** in the area of Pearson Creek Road.

June 11, 2014 – **Daniel Lee Smith is arrested for murder by Umatilla County Sheriff's Office** for the June 9th murder of Samantha Brown outside of Echo.

May 12, 2014 – **Fugitive in a Morrow County rape case from 12 years ago is apprehended thanks to the alert Umatilla County jail staff.**

Deputy Mike Fox and Corrections Staff used the suspect's unique tattoo to identify him after he was booked into the Correctional Facility under a false name

on other charges.

June 26, 2014 – **Tattooed rape suspect pleads guilty.**

June 25, 2014 - **911 Communications Center moves** and begins dispatching with the new equipment in the new center.

June, 2014 – **One of three suspects in the Joyce Key Homicide takes a plea agreement.** Jacob White agrees to a guilty plea of Robbery I and Burglary I. Remaining suspects, Matthew Hermann and Caleb Scott still face murder charges.

June 26, 2014 – **A new patrol boat arrives for the Marine Division.** Using creative problem solving, and interoffice cooperation, NO county funds were needed for the purchase – see details in the Marine Patrol section of this report.

June 27, 2014 – **Marine Patrol rescues 3 from a sinking inflatable raft on the Columbia River** near Sand Station Recreation Area. Benton County Washington requested assistance from our Sheriff's Office in locating the persons in distress due to adverse weather conditions for a small craft.

File Photo from Summer 2013 depicting a simulated boat accident at McNary Dam on the Columbia River. Umatilla County Sheriff's Office Marine Patrol, working in cooperation with the US Army Corps of Engineers and the Morrow County Sheriff's Office conducted this safety exercise illustrating what can happen if a boater wanders into the designated "No Boating Areas" and becomes caught in the strong currents of McNary Dam, sweeping through the spillways and over the dam. Members of the UCSO Marine Patrol placed two "dummy boaters" in a wooden boat and sent them over the dam into the violent waters 150 feet below. The boat and occupants were torn apart and scattered.

July 1, 2014– Umatilla County Sheriff's Office begins providing dispatch services to the City of Hermiston and becomes the primary 911 answering point for the City .

Three new positions were added to the Communications 911 center as a result of the consolidation. Three dispatchers from Hermiston PD transferred over and joined the Umatilla County Sheriff's Office Staff to fill these positions. A fourth dispatcher from Hermiston was hired prior to the consolidation to fill a vacant position within the center, making a total of 18 full time Communications Specialists, 1 Sergeant and 1 Lieutenant.

July 22, 2014 UCSO sadly announces the loss of police canine Yosh due to a sudden unknown illness. Rest in Peace.

September 2, 2014 – Umatilla County Sheriff's Office begins providing contracted police services to City of Weston.

The contract helps fund 1 additional patrol position for the Sheriff's Office and in turn provides 40 hours of patrol coverage a week for the City of Weston.

July 23, 2014 – UCSO receives notice from the State Medical Examiner's Office that the remains found off Lincton Mt Rd were that of Byron Fusselman.

October 6, 2014 - George Craigen is convicted of murder and sentenced to 25 years to life for the murder of Rob Carter.

October 15, 2014 – Erik Palmer is hired as a full time detective for the criminal Division.

October 15, 2014 –\$10,000 DUII Grant and \$4,000 seat belt grant funds are received, from the Oregon's High Visibility Enforcement (HVE) for impaired drivers Program and the ODOT and National Highway Traffic Safety Administration's annual "Click it or Ticket" Program.

September 29-30, 2014 Umatilla County Sheriff's Office Correctional facility earns high marks during the Oregon Jail Standards Audit. The audit is conducted every two years and has over 309 standards, most required under Oregon Law, ADA requirements and Oregon Administrative Rules.

November 1, 2014 – One position within Dispatch is increased to a Sergeant after a need was demonstrated & funding was approved. Staffing now at
17 Communications Specialists
2 Sergeants
1 Lieutenant

November 20, 2014 – Bad weather and poor road conditions create increase in Dispatch Center activity – handling over 130 911 calls in a 12 hour period.

December 4, 2014 - Patrol Deputies assist with the rescue of a man from Umatilla River in Pendleton.

December 11, 2014 - Search and Rescue receives commendation for their participation in the successful rescue mission of, the elk hunter Richard Braatz in November, 2014 in northern Umatilla County.

November 1, 2014 – Karen Primmer, formerly with HPD, was promoted to Communications Sgt.

November 3, 2014 – Search and Rescue located lost elk hunter, Richard Braatz, after he spent two nights in the mountains out in the rain. Search was in partnership with Walla Walla Search & Rescue, Oregon National Guard and U.S. Forest Service.

December 23, 2014 - Search and Rescue locates and rescues two men near USFS Road 5411 a few miles away from Indian Lake.

January 1, 2015 – Umatilla County Sheriff's Office begins providing contracted police services to City of Athena.

The contract provides funding for 2 additional patrol positions in the Sheriff's Office and in turn provides 80 hours of patrol coverage a week for the City.

February 20, 2015 – **Caleb Scott pleads guilty** and on March 26 is **sentenced to 18 years** – **Matthew Hermann pleads guilty** on February 26, 2015 and is **sentenced to life in prison** in the Joyce Key Murder case.

March 9, 2015 - **\$10,000 grant awarded to the UCSO Reserve Deputies** from the Wildhorse Foundation to purchase new Taser Units.

January 23, 2015 – UCSO Sergeant Dwight Johnson is named the 2014 Pendleton Chamber of Commerce

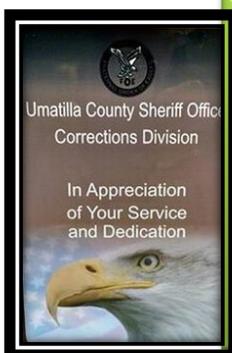

Man of the Year in front of a standing ovation of about 500 people. Sgt Johnson is a retired US Forest Service Law Enforcement Officer and currently works for Umatilla County Sheriff's Office on a part time basis supervising both Search and Rescue and Court Security. He has over 30 years of experience in law enforcement and emergency management.

He is a member of the Pendleton Lions Club, volunteers his time and efforts at the Pendleton Warming Station, the Club Scouts, the Helping Hand and makes pancakes for the homeless every Sunday morning at Veda's Breakfast. – Not bad for a "retired" guy!

April , 2015- **A New Full Time Corrections Officer position is approved for Court Security.** During budget hearings the Sheriff's Office identified a critical need for improved Court Security and presented a plan to move Court Security under the supervision of the Corrections Division instead of the Criminal Division. State Courts were willing to provide partial funding for a full time position. In cooperation with the BOC and Budget Committee, the Sheriff's Office was approved for the remaining funds. By acting fiscally responsible and creatively seeking a solution, we were able to move forward toward improving Court Security.

April 21, 2015 – **Jacob White sentenced to 10 years in the final sentencing** of the Joyce Key murder Case.

May 10, 2015 – **UCSO Corrections Division is named as our agency's Law Enforcement Professionals of the Year WELL DESERVED!!**

May 5, 2015 – The Jail Population Reaches Record Numbers

The Corrections Division was given a difficult challenge in 2013, to increase the jail's daily population without additional resources. This increase is directly related to a policy change dedicated to holding new inmates for at least 36 hours while charges are pending, or as federal law allows. Captain Harp reported at the time the average population was at 187 inmates and in March had averaged 199. Local Law Enforcement agencies provided feedback, stating it had been good for morale to see the inmates being held in jail longer.

The Award was presented at the Annual Public Safety Awards Dinner at the Pendleton's Eagles Lodge.

May 15, 2015 – **UCSO facilitates the Law Enforcement Memorial Ceremony at Til Taylor Park in Pendleton.** The Sheriff's Office organizes this event every year as an important way to honor those who protect and serve. The public and several local law enforcement agencies attended. After the ceremony, a motorcade procession traveled from Til Taylor Park to the Round-Up Grounds for a luncheon.

This year a special presentation was done to honor Umatilla County Sheriff's patrol canine "Yosh". The Sheriff's Office lost Yosh earlier in the year to a sudden and unknown illness. Yosh was a handsome, well-trained, 9 year old German Shepherd. In 2013, Yosh's presence was instrumental in capturing murder suspect, Lukah Chang in Pendleton.

- A special THANK YOU is extended to the Sheriff Rowan's Administrative Manager, Lora Franks, who coordinates the ceremony each year.

End of FY2015 – Criminal Division Patrol Numbers have increased, coverage has improved.

The close of Fiscal Year 2015 shows an improvement in Patrol Coverage provided by the Umatilla County Sheriff's Office. Positions were added due to city contracts, restructuring, and approval of new positions.

The division consists of 17 sworn:

11 Patrol Deputies, 2 Sergeants, 3 Detectives, 1 Captain
and 1 Evidence Tech Position –not sworn

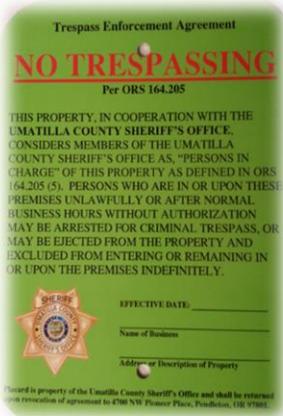

July 4, 2015 – UCSO Search & Rescue Participates in the annual VFW 4th of July Parade in Pendleton.

July 22, 2015
- UCSO Undersheriff Jim Littlefield participates in the Sheriff Til Taylor Honor Ride in Pendleton.

July 21, 2014 – An explosion and fire in the Old City Hall Building in Pendleton kills one.

Umatilla County Communications Center experiences large volume of activity coordinating police, fire and medical responses and answering emergency calls.

August 13, 2015 **New Trespass Protection Agreement Program unveiled** in an effort to deter criminal activity against businesses in the unincorporated areas of Umatilla County.

August 2015 – **Creation of an Annual Progress Report** to keep the Citizens of Umatilla County informed about their Sheriff's Office.

August 2015 – **New Building Security Policy** developed to comply with federal standards and improve overall safety for employees.

August 20, 2015 – **Chaplain John Jefferies** joins the Umatilla County Sheriff's Office as our volunteer chaplain.

UPDATES: The Civil Division has undergone several changes which resulted in more efficient process of documents and Concealed Handgun Licenses (CHL). The most significant change was the move of the Civil Division in summer of 2013 from the Pendleton Courthouse into the Main Sheriff's Office in Pendleton, where they also took over reception. With the move came a restructuring of the Civil Division office staff. A recently vacant administrative position was eliminated and two office clerk positions were created to assist with an overwhelming increase in CHLs. This resulted in CHLs being processed in less than a week instead of the former 8 to 12 weeks. The purchase of a new electronic fingerprinting system also streamlined the process. The office clerks were cross-trained on CHLs and Civil Process to increase efficiency in the office. Reception was previously handled by a criminal records clerk. With Civil handling reception the records clerk was able to focus completely on supporting the criminal division, making the Sheriff's Office more efficient as a whole.

Communications / 911

DUTIES: The Communications and Regional 911 Dispatch Center is the first point of contact for the majority of the citizens who live in Umatilla County when they need any assistance. It is staffed by Communications Specialists who are certified through the State of Oregon Department of Public Safety and Standards Training in the areas of Law Enforcement Telecommunications and Emergency Medical Dispatch. The Center receives 911 calls for the cities of Adams, Athena, Echo, Helix, Hermiston, Meacham, Pendleton, Pilot Rock, Stanfield, Ukiah, Umatilla, Weston, and all the unincorporated areas of Umatilla County. The Communications Specialists are responsible for dispatch of police, fire and medical responses. The Communication Specialists also handles non-emergency police, fire reporting lines as well as business lines. In addition, they enter and confirm records such as, warrants, restraining orders, and stolen vehicles. If anything happens in Umatilla County, the Center is usually the first to know and the first to coordinate any assistance.

UPDATES: The Communications 911 Division (Dispatch) has undergone significant changes. In preparation for consolidation to provide dispatch services to the City of Hermiston, the center was moved to a larger area formerly used by the Emergency Operations Center during CSEPP. New radio equipment was purchased by the Umatilla Morrow Radio Data District and new 911 phone equipment was installed as part of a State of Oregon statewide project. The center also purchased new dispatch station furniture, and installed a new Computer Aided Dispatch system. The consolidation was a massive undertaking and took approximately 1 year to prepare and coordinate. On July 1, 2014 the Communications 911 Center began providing dispatch service to the City of Hermiston, increasing their staff by 3 more personnel (from City of Hermiston). The center now provides dispatch services to 25 fire, medical and police agencies. The personnel have handled the changes like the professionals they are, providing continuous service to the citizens of Umatilla County during times of crisis.

Today I.....made life and death decisions...helped keep a Deputy safe...prevented a suicide...sent help in a serious car accident...helped find a lost child...assisted in catching a crook...calmed a frantic victim...prevented a drug deal...sent Life Flight flying to assist.....remained calm when a Deputy and citizen asked for help at the same time...reunited a family with their lost dog...recovered a stolen vehicle.....dispatched an ambulance.....remained compassionate....worked with a great team.....saved lives.....worked with heroes.... made a difference.

Corrections Division

DUTIES:

The Umatilla County Corrections Division is responsible for maintaining a balance between protecting the public and providing an environment that safeguards the life, health and safety of the staff and inmates within the state-of-the-art 252-bed correctional facility. Correction Officers are certified through the State of Oregon Department of Public Safety and Standards.

is responsible for maintaining a and providing an environment that the staff and inmates within the state-Correction Officers are certified

UPDATES: In April 2013 a new policy was implemented aimed at keeping more offenders behind bars. The “catch-and-release” matrix was eliminated and the jail population was increased. New inmates are now held for at least 36 hours, as allowed by law, while charges are pending. This has been a huge challenge for the Corrections Division staff. The jail is a carefully balanced system.

When the population is increased, it impacts every other part including the medical, food services, and transportation costs. The workload increases for everyone and space gets crowded. The facility was originally built to hold 186 beds. Toward the end of construction there was enough money to increase to 252 beds, however the facility wasn't built any larger.

Restructuring and the addition of a Program Tech position (previously filled by a Certified Corrections Officer) made it possible to move two Certified Corrections Officers onto the floor to assist with the increased workload. The Corrections Division is to be commended on their hard work and dedication to making this policy successful. The statistics below demonstrate the effect of this new policy on the jail population and forced releases. We remain committed to the goal of keeping more offenders behind bars by continuing to evaluate how our current resources can be used as efficiently as possible, while investigating other resources that may be available.

During the publication of this progress report in August 2015 the jail population experienced record highs of 200 - 225 inmates.

Court Security and Transport

DUTIES: Court Security is responsible for maintaining security within the Pendleton and Hermiston Umatilla County Circuit Court buildings, including ensuring the safety of judges, court employees, jurors and the general public visiting the courthouse. Court Security Officers place persons into custody as directed by the court. The Transport Officers are responsible for safely moving defendants between the jail and the courthouse as needed for court appearances. They are certified through the State of Oregon Department of Public Safety and Standards.

UPDATES: In January of 2015 Court Security was moved under the supervision of the Corrections Division to join with the Transport Team to become the Court Security & Transport Unit (CSTU). Umatilla County Sheriff's Office was able to secure funding for a much needed full time Court Security Officer position, to be filled by a certified Corrections Officer. Court Security has previously been filled with part time employees working approximately one week a month and primarily solo. The position helps improve security and safety within the Umatilla County Courthouse by having a full time employee that can supply additional support to the part time staff, and reduce the amount of time security officers are working solo. This is part of the coordinated plan for restructuring Court Security.

Note: There are 251 Court Calendar days in a year. There are 5 Circuit Courts – #1, #2 and #3 in Pendleton. #4 and #5 in Hermiston.

Criminal Division

Patrol

DUTIES: The Criminal/Patrol Division is tasked with enforcement of Federal and State Laws, as well as county ordinances. All Patrol Deputies are certified as police officers through the State of Oregon Department of Public Safety and Standards

(DPSST). They protect and serve both the public and property by responding to reported incidents, patrolling for self-initiated enforcement, follow-up investigations on misdemeanors and felonies, and sustained partnerships with the community. Some Deputies are certified as instructors or have training in the specialized fields of Major Crime Investigation, Crash Reconstruction, Interview Techniques, Hostage Negotiation, SWAT, Instruction in Drug Recognition, Instruction in Field Sobriety Testing, Firearm Instruction, Tazor Instruction, and Blue Mountain Enforcement Narcotics Team.

UPDATES: The Criminal Division has undergone significant changes resulting in increased law enforcement coverage and better response times. Patrol Deputies have increased from 7 to 11 full time patrol deputy positions. 1 Patrol position was obtained through the budget process by demonstrating a critical need. The additional 3 positions were the result of the Sheriff's Office coming together with other communities in a mutual effort to improve law enforcement coverage for all parties.

- Effective September 2014, UCSO entered into a contract to provide Law Enforcement services for the City of Weston – funding 1 new patrol deputy position *and* providing 40 hours a week of coverage for the City of Weston.
- Effective January 2015, The Sheriff's Office entered into a contract to provide Law Enforcement services for the City of Athena. - funding 2 new patrol deputy positions *and* providing 80 hours a week of coverage for the City of Athena.

The Criminal Division was also restructured to allow for two patrol sergeants, increasing the number of officers actually patrolling. The restructuring and additional patrol positions have benefited the Sheriff's Office and the citizens of Umatilla County.

Although patrol coverage has increased, we have a long way to go. The Sheriff's Office remains committed to seeking out ways to improve law enforcement coverage and creatively evaluating how our current resources can be used as efficiently as possible, while continuing to investigate other resources that may be available.

The graph below shows the average # of certified deputies actually available to patrol per month. The increase in patrol coverage is due primarily to *both* the restructuring of the criminal division *and* the addition of new positions. Deputies were not included if they were still a new hire and not cleared for solo status, or unavailable to patrol due to extended sick leave, injury, admin leave, or training.

VACUATION ROUTE

Emergency Management

DUTIES:

The Emergency Management Division consists of 1 part time Emergency manager and Administrative Assistant position. The primary duty of Emergency Management is to provide assistance to emergency services during initial response, management and recovery in the event of a disaster. This is accomplished by planning, preparation, response, mitigation and recovery activities. This includes routine training, conducting of drills, testing equipment and coordinating activities within the community, emergency responders and other resources. 50% of Emergency Management is funded by an Emergency Management Preparedness Grant which requires 4 exercises per year, 20 hours of training for each staff member, quarterly reporting of activities, and updating the Emergency Operations Plan. EM participates in the Blue Mountain Cohesive Strategy Project (which collaborates with National and State agencies to develop a model for forest resource & wildfire management), the Umatilla County Fire Defense Board (which oversees training for local Fire Departments/Districts), and the Local Emergency Planning Committee (which is currently working on a project called the Emergency Response Plan funded by a Hazardous Materials Emergency Preparedness Grant). EM is also involved with the Ambulance Service Area Franchise. Ambulance Services Areas are awarded every 3 years and each ASA submits an application to provide service, which is reviewed and approved by Umatilla County Commissioners.

UPDATES:

With the close of CSEPP in May of 2012, the Umatilla County Sheriff's Office took over supervision of the Emergency Management Division and it was moved to a new location within the Justice Center. In July of 2015 the Amateur Radio Emergency Services/Radio Amateur Civil Emergency Services (ARES/RACES) equipment was moved into the EOC to better coordinate communications in the event of an actual emergency. Emergency Management has also participated in Public Outreach projects to provide information to public and private agencies on preparing for emergencies. These Outreach Projects include; Walmart Safety Days, Umatilla County Fair and Civic Groups.

Emergency Plans

In 2012, the *Umatilla County Emergency Operations Plan* was updated. Emergency Operations Center volunteer staffing continues to be developed. An orientation meeting was held in July 2015.

In 2014, the *Natural Hazard Mitigation Plan* was updated.

In 2015, work continues on the Continuity of Operations Plan, which provides a plan for Umatilla County to continue to provide essential services to residents in an emergency. Oregon Emergency Management is purchasing a program to assist with COOP Planning. Completion of the plan is scheduled for 2016.

DUTIES: The Sheriff's Office has one full time Evidence Technician responsible for collecting, receipting, storing and control of physical evidence/property in the custody of the Sheriff's Office.

Evidence Tech

UPDATES:

This position was requested and granted in 2014 after being acknowledged as a critical need to ensure integrity of evidence and affect a more efficient use of time for patrol and investigations to respond to incidents and investigate crimes.

Investigations

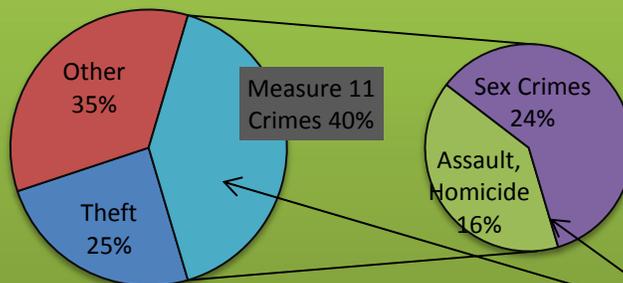

DUTIES: The Investigation Division consists of three full-time sworn deputies specifically trained as detectives. All three detectives are members of the Umatilla/Morrow Major Crimes Team. One detective position is assigned on a full time basis to the Blue Mountain Narcotics Team and investigates drug related crimes. The remaining two detectives handle any other cases that require particular expertise, or extensive follow-up, thus freeing patrol deputies for other duties.

Measure 11 Crimes:

Oregon Voters approved Ballot Measure 11 in November 1994 to apply minimum prison sentences to certain crimes against persons. These include violent crimes and sex abuse crimes.

Marine Patrol

DUTIES: The Sheriff's Office Marine Patrol consists of 1 full-time seasonal Sergeant and 2 part-time seasonal deputies. The Marine Patrol is primarily funded through the Oregon State Marine Board. Marine Patrol's mission is to ensure everyone goes home safely after a good time on the water. This is accomplished through enforcement of Oregon boating laws, boat hull inspections, education and safety classes, search and rescue operations and occasional citations. Marine Patrol is seasonal with regular patrols from May through October. Marine Patrol is responsible for patrolling the McKay Reservoir and the Cold Springs Reservoir. They also patrol approximately 195 miles of shoreline on the Columbia River from above McNary Dam to the Washington State Line and below McNary Dam to the Morrow County Line.

UPDATES: In 2014, the Marine Patrol purchased a desperately needed new boat, a 22' Rogue Jet Boat. The Sheriff's Office in cooperation with the State of Oregon Marine Board was able to fund the new boat. The Marine Board provided \$55,000 to partially fund the new boat and also granted the Sheriff's Office permission to sell their oldest boat in the fleet and use the proceeds to cover the remaining cost. This cooperation between agencies made the purchase of a new boat possible without the use of general funds. For the 2015 Season the Umatilla County Sheriff's Office applied to the Oregon State Marine Board for "Special Emphasis" funding. As a result, UCSO was awarded \$7,500 to provide additional patrol into the month of December with a focus on day fishing that occurs on the Columbia River above McNary Dam.

DUTIES: The Sheriff's Office Reserve Program consists entirely of volunteers who are trained law enforcement officers, including several who are approved to patrol solo. The Reserve Deputies assist the Criminal Division in patrol activities and also offer uniformed security for some major events of local organizations. Monies derived from these events pay for Reserves uniforms, vehicles, training and other equipment. They also received a \$10,000 grant from the Wildhorse Foundation to purchase new Tasers. The Reserves donate between 5,000 – 6,000 hours of time for these duties. The Reserve Program has a governing board and a volunteer coordinator.

Reserves

UPDATES: The Reserve Program added 7 new Recruit Reserves to the program in 2014 and started off the year 2015 with 16 officers; including 7 Level 1 (Solos). Mid-2015 five have taken full time law enforcement jobs with different agencies and one left for personal reasons. The program also lost 1 solo officer to a job change to the coast. It speaks volumes about the success of this program when several officers are picked up by law enforcement agencies for full time positions. Although the success of these officers has decreased our reserve numbers, we look forward to the future recruitment process of more excellent volunteers.

Rural Neighborhood Watch- RNW

DUTIES: The Rural Crime Prevention Program (Rural Neighborhood Watch) is staffed by two deputized volunteers who coordinate the citizen members. RNW members are trained to be alert and aware of their surroundings as well as identifying and reporting suspicious persons and activities within their Unit to law enforcement agencies for further investigation and enforcement if necessary. The program's mission is to assist and prepare citizens in creating and operating their own RNW programs within their own areas. Established 2006.

UPDATES: As of August 2015, the Rural Neighborhood Watch program consisted of 794 members belonging to 18 units throughout Umatilla County. The most recent RNW meeting in August 2015 was held in the Athena area and resulted in membership applications requested with a potential of 10-20 additional members joining.

Search & Rescue

DUTIES: The Sheriff's Office Search & Rescue Program consists of 15 volunteers and two paid staff who are dedicated to helping the lost, missing and overdue hunters, stranded motorists, medical emergencies and body recovery searches. S.A.R. team members also assist Umatilla County Sheriff's Office deputies at major crime scenes and assist neighboring county S.A.R. groups when needed. S.A.R. members must become certified and maintain certification through yearly training.

UPDATES: Search and Rescue received a Letter of Commendation from Mayor Phil Houk and the City of Pendleton regarding the successful, life-saving rescue mission of Mr. Richard Braatz in November of 2014.

During the incident, UCSO SAR led the operation and received assistance from the US Army National Guard stationed in Pendleton, the US Forest Service, the Walla Walla Sheriff's Search & Rescue Team, and the City of Walla Walla.

Snow/ATV Patrol

DUTIES: The Snow and ATV Patrols are responsible for patrol of hundreds of miles of established trails and roads for off road vehicles and snow mobiles. The seasonal deputies patrol these areas to maintain safety, and enforce registration and operation violations, as well as educate operators, ensure compliance with Oregon State Law. Funding is provided from an annual contract with Oregon State Parks and grants obtained from the Oregon State Snowmobile Association and local snowmobile clubs. All man hours are voluntary. Established in 1987.

Support Staff

Jaime

Blake

DUTIES: The Sheriff's Criminal Division support staff consists of two full-time Records Clerks, one in the Hermiston office and one in the Pendleton Office. They handle public records requests, transcription as needed for criminal deputies and detectives, process and forward citations to city and county courts, process and forward cases to the District Attorney's Office, data entry, track recycle and pawn slips, backgrounds, along with numerous other duties. Jaime also handles reception for the Hermiston Office.

UPDATES: In 2013, the Civil Division was moved to the Pendleton Office and took over reception duties. This allowed Blake's position, as the Pendleton records clerk, to be removed from reception and used more efficiently by focusing primarily on support for the criminal division's needs.
