FROM (DEPT/ DIVISION): Community Development Department/Planning

PROGRAM: Solid Waste Advisory Committee

SUBJECT: Sale of Pendleton Sanitary Service

Background: Pendleton Sanitary Service, Inc. would like to advise the Board of the change in control of PSSI from the McHenry family to Waste Connections US, Inc. This does not require a transfer of either the disposal or collection franchises, which remain in the name of PSSI. The McHenry family is in the process of selling PSSI via a stock sale and would like to ensure the smooth transition of the sale to Waste Connections US, Inc., so that the new owner may continue to provide the quality waste removal service to Umatilla County residents that has been provided by PSSI for the past 44 years. The Solid Waste Advisory Committee is scheduled to review the request on October 14, 2025.	() INFORMATIONAL: (x) <u>ACTION REQUESTED:</u> Receive report of sale of Pendleton Sanitary Service
