FROM (DEPT/ DIVISION): Community Development Department

SUBJECT: Oregon Community Pathways Grant Application

<p>Background: The Umatilla River Trail Implementation Committee with support from Community Development Department staff and Merchant McIntyre (consultant) have been selected to submit a grant request to the Oregon Community Pathways Program. The funding request (Approximately \$6 million) would support permitting, engineering and design, and construction for a portion of Phase One of the trail, which would ultimately connect the cities of Umatilla and Hermiston. The program requires a 10.27% match and the county has a committed local partner to help cover the required match. Application is required to be submitted to ODOT by January 31, 2023.</p>	<p>Requested Action: Approve and authorize the Community Development Department to submit an application to the Oregon Community Pathways Program for funding for the Umatilla River Trail project, and authorize Chair to sign the application.</p>
