Fair Board Directors serve one term consisting of 3 consecutive years typically after their Board Elect Year which does not count toward their first term. Upon request and review, they are eligible to serve a second consecutive 3-year term if approved by the Fair Board and Board of Commissioners.

If appointed, the first year of any Board-Elect is considered a training year before they can vote during Fair Board meetings.

If appointed, 2025 would be the Board-Elect year and the first official term would begin Jan. 1, 2026 and end on Dec. 31, 2028.
