Bonds to improve parks, pools and district facilities

Question 20 words which plainly phrases the chief purpose of the measure.

Shall Helix Park & Recreation District issue up to \$1,000,000 general obligation bonds to improve parks, pools and District facilities? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

If approved, bond funds, along with other available funds, would be used to finance the capital costs of improving the safety and efficiency of park, pool and District facilities, including, without limitation, providing funds to:

- * Design and construct a new pool.
- * Design and construct a new splash pad.
- * Design and construct a new pool pumphouse.
- * Repair and improve existing bathhouse.
- * Repair and improve existing exterior restrooms
- * Pay bond issuance costs.

Bonds would mature in 21-years or less from the date of issuance and may be issued in one or more series. The estimated increase in the tax rate is \$0.37 per \$1,000 of taxable assessed property value. Actual levy rate may differ due to changes in interest rates and assessed values. The estimated tax rate is an estimate only, based on the best information available from the county assessor, regarding taxable assessed values, at the time of the estimate.

Explanatory Statement 500 words that impartially explains the measure and its effect.
