this application and other supplemental
applications before submitting.

1. **Pre-Application Meeting:**

The applicant(s) will meet with the Planning Department staff to review the proposed development/request. Applicable information will be discussed in relation to the proposal. The applicant(s) will then submit all applicable materials to the Planning Department at their convenience.

2. **Determination of Completeness**

The Planning Department staff will review applicable regulations in regards to the type of application. Once the application is determined to be complete the 120 or 150-day clock will begin, which is the maximum amount of time the County has, by law, to process the application.

3. **Administrative Review**

Planning staff reviews applications that fall within the administrative review process. A public notice is sent to the surrounding property owners and affected public agencies. The public notice includes a description of the request and the analysis (preliminary findings) of how the request conforms to the standards set forth in the Umatilla County Development Code. The Planning Director approves administrative decisions. Applications processed through administrative review may be directed to a public hearing at the discretion of the Planning Director, or by the request of a notified property owner or public agency. Decisions made at a public hearing are made by the Planning Commission.

4. **Consideration by Planning Commission**

Public notices are sent to the adjacent property owners for comments of an application that will be heard before the County Planning Commission. The application will then go before the Umatilla County Planning Commission in an Open Record Public Hearing. Public comment is received and a decision is rendered on the application or a recommendation is made to the Board of Commissioners depending upon the type of application being processed.

5. **Consideration by the Board of Commissioners**

The Board of Commissioners hears legislative type of applications (amendments) or appeals. Public hearings are held with testimony being taken for the application or appeal. The Board of Commissioners makes a final decision.

6. **Provision for Appeals**

An appeal is provided for if the applicant/person with standing desires to challenge a decision of the decision-making body (Planning Director, Planning Commission or Board of Commissioners). After a decision is made by any of the decision-making bodies the appeal must be filed within 15 days of the decision. Failure to appeal the decision during that timeframe specified precludes any further appeal on the matter.
