

Federal Emergency Management Agency **RECEIVED**

Washington, D.C. 20472

AUG 23 2010

AUG 18 2010

The Honorable Bill Hansell
Commissioner, Umatilla County
216 Southeast 4Th Street
Pendleton, OR 97801

Case No: 07-10-0802V
Community: Umatilla County UMATILLA COUNTY
Community No.: 410204
Effective Date: September 04, 2010
LOMC-VALID

Dear Commissioner Hansell:

This letter revalidates the determinations for properties and/or structures in the referenced community as described in the Letters of Map Change (LOMCs) previously issued by the Department of Homeland Security's Federal Emergency Management Agency (FEMA) on the dates listed on the enclosed table. As of the effective date shown above, these LOMCs will revise the effective National Flood Insurance Program (NFIP) map dated September 03, 2010 for the referenced community, and will remain in effect until superseded by a revision to the NFIP map panel on which the property is located. The FEMA case number, property identifier, NFIP map panel number, and current flood insurance zone for the revalidated LOMCs are listed on the enclosed table.

Because these LOMCs will not be printed or distributed to primary map users, such as local insurance agents and mortgage lenders, your community will serve as a repository for this new data. We encourage you to disseminate the information reflected by this letter throughout your community so that interested persons, such as property owners, local insurance agents, and mortgage lenders, may benefit from the information.

For information relating to LOMCs not listed on the enclosed table or to obtain copies of previously issued LOMR-Fs and LOMAs, if needed, please contact our Map Information eXchange, toll free, at 1-877-FEMA-MAP (1-877-336-2627).

Sincerely,

Kevin C. Long
Kevin C. Long, Acting Chief
Engineering Management Branch
Mitigation Directorate
