

Scale: 1" = 40'

NARRATIVE:

The purpose of this survey is to stake that property deeded to Courtland Brock, et ux., on Reel 150, Page 779, Umatilla County Deed Records, so a fence can be built. In that deed the North line of Brock's property is 208.72 feet, more or less, long but it should say 175.72 feet. The 208.72 feet goes to the center-line of 11th Street.

The North, East and West lines of this parcel were surveyed when "EKLEBERRY TRACTS" was surveyed. I retraced said "EKLEBERRY TRACTS" survey to set these corners.
