"THE TOWN OF STANFIELD"

NARRATIVE

The purpose of this survey was to mark the corners of Lots 1, 2, 3, & 4, Block 14, of "The Town of Stanfield." We found points previously set by G. Dennis Edwards on a survey for the Stanfield Fire District and a survey for John Whitesell by Krumbein Engineering, Ltd. Using these points and similar proportioning we set the pins as shown. The elevation shown is based upon Corps of Engineers sea level datum.
