NARRATIVE OF SURVEY
for
THERESA JOHNSON

(See Map of Survey No.)

This survey was performed for the Umatilla Reservation Housing Authority as part of the 12-07 housing construction project.

The survey involved laying out a 1.0 acre, more or less, homesite within the exterior boundaries of the Theresa Johnson land. The South boundary of the tract was established 30.00 feet North of the South line of Section 11 to allow for $\frac{1}{2}$ of a 60.00 foot right-of-way width for County Road No. 912. The East boundary of the tract was established abutting the East line of the Cecelia Bearchum homesite lease description. The North and West boundaries of the tract were located as shown on the Map of Survey within the overall boundaries of the Theresa Johnson ownership.

The South line of Section 11 was based on Survey Map No. I-131-B as revised and recorded in the office of the Umatilla County Surveyor.
