(See Map of Survey No. )

This survey was performed for the Umatilla Reservation Housing Authority as part of the 12-07 housing construction project.

The survey involved laying out a 1.0 acre, more or less, homesite West of the Umatilla-Mission cutoff Road on lands owned by the heirs of original Indian Allottee Apnasholatuck. The East boundary of the tract was located on the West right-of-way line of the Umatilla-Mission Cutoff Road determined based on State Highway Right-of-Way Map. The North, South, and West boundaries were located within the overall boundaries of the Apnasholatuck allotment.
