 No. 85-114-Ax

NARRATIVE

The purpose of this survey is to set the corners of Lot 1, Blk 4, ORIGINAL TOWN of PILOT ROCK, for the construction of a commercial Building, and to shoot elevations so the building can be built above the 100 yr. flood plain. Steve Randolph of the Co. Planning Commission said the 100 yr. flood plain at this location is 1637.5' & the building floor should be 1638.5' which is 4 inches above the TBM nail in the power pole.
