

Stone Leaded
2.44 West of
True Line of
Addition and
3.75 South.

See page 4 in regard North Line Blocks 67, 60, 57, 50 & 46.

Stone Leaded

Stone 5' on West
R.R. Iron
2.75 South of
True Line.

This Mon. is $\frac{1}{10}$ of a Ft. North
of Black Line and is 30 Ft.
South of the N. Line of
Cleveland St.

This Mon. is 23 Ft. South of
black line and is 30 Ft.
South of N. Line of Cleveland St.

Stone with +
 $\frac{1}{4}$ Sec. Cor. bet
Secs 1 and 2

Remark: While the old Subdivision as indicated by the black boundary lines bounds the addition correctly on the North and West yet on the South the center of Cleveland Street at corner of Cleveland and Depot streets is $\frac{1}{10}$ of a foot N. of the line and at Cleveland and Robbins it is 2.3 feet South of said line.

Note: This is a copy of the plat found at page 3 of the City of Freewater Plat book at Freewater Oregon. All lines are shown in black ink on the original plat at said page 3 excepting the four lines indicated on this plat thus: *Red Line* which are shown in red ink on said original plat.
