Field Notes.

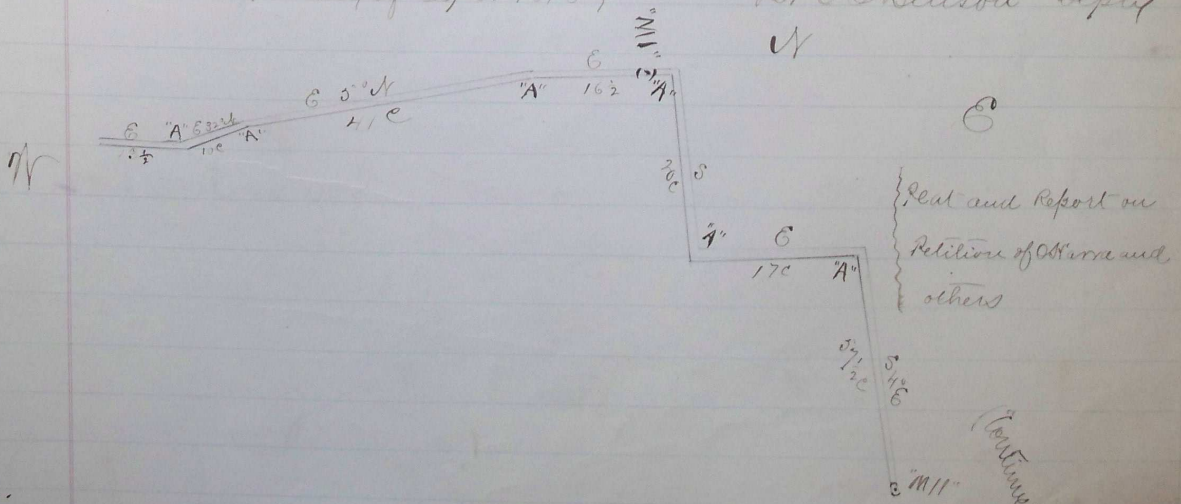

Commenced at thorn bush at mouth of O'Harra Gulch marked same for beginning of road. From thence run in a south easterly direction as marked on the attached plat. Marked each successive mile by legal posts, also set angle posts at the several angles, until arriving at Heston and Summerville road named in petition. From thence following said road a distance of 5 miles and 5 chains marking each mile but not noting angles. At termination of road set post marked "R" also marked "M X 1" denoting the length of survey.
