IN AND FOR THE COUNTY OF UMATILLA

In the Matter of the Vacation of
a Portion of County Road 27 in
Section 23 and 24, T4N, R35E, W.M.)

REPORT OF COUNTY ROADMASTER

Pursuant to the resolution adopted by the above entitled Court the 27th day of April, 1955, the undersigned, as County Roadmaster, examined the resolution adopted by the above entitled Court, as aforesaid.

The undersigned has examined the road mentioned in the resolution hereinabove mentioned, and found said road to be used only during the harvest seasons.

The undersigned found that said road has fallen into disrepair and would require extensive grading, draining, and graveling and that said road is supplanted by other roads.

It is my opinion further that said road is useless as a part of the general road system of Umatilla County, State of Oregon, and it should be vacated. While the road has some use, as above indicated, it is my opinion that it would not be advisable to preserve the same for the Umatilla County Road Department road system in the future, and that the public will be benefited by its vacation.

I conclude, therefore, and recommend that the said road be vacated.

Dated this 3rd day of May, 1955.
