

ROAD NO
405

In the matter of Viewing surveying and laying out County
Road 405

commencing at a point on the south boundary of City limits of Weston
Oregon at center of terminus of Water Street, running thence South on
the subdivisional 1/4 Section line, running north and south through the
center of sections 21 and 27, Township 4, N. R. 35 E. W. M. to the center of
section 27 said Township; thence east on the subdivisional 1/4 section line
running east and west through the center of section 27 Township 4
N R 35 E. W. M. to the center of Pine Creek thence south easterly on the
most practicable route to the S. E. Corner of N 6 1/4 Section 6 Town-
ship 3 N R 36. E. W. M thence east on the subdivisional 1/4 section line
as near as practicable to Doble Saw mill thence southerly on
the most practicable route to the Warm Springs on the Umatilla
River

To the Honorable County Court of the State of Oregon for
Umatilla County

We the undersigned the viewers heretofore appointed to view and
locate Road No 405 submit the following report Pursuant to an
order of the Honorable Court we met Jno C. Arnold County Surveyor
at Weston Oregon on Oct 28-1892 and were by him each duly
sworn to faithfully and impartially discharge the duties
of our appointments. We called to our aid H. M. Ritter, & R.
Vanwinkle chainmen, master who were by the Surveyor each
duly sworn. We Viewed surveyed and located said Road No 405
as specified in our order as far as the foot of the Doble
grade on Rock Creek about 200 yards east of Doble's mill we
find the route practicable and the road much needed to
this point, we Viewed out the remainder of the said road
as petitioned for to Warm Springs on the Umatilla River
about two miles in a south direction from the foot of said
grade and find that it is impracticable, we would therefore
recommend that said road No. 405, as Viewed out and surveyed
be declared a public highway and that said road terminate
at said foot of said Doble grade
