in Viewers Report Road No 328m

To the Hon. County Court  
for Multnomah County Oregon

We the undersigned viewers on Road No 328 would respectfully report that we met with Jno C. Arnold County Surveyor at Multnomah on June 19<sup>th</sup> at 9 o'clock am. and were qualified each as directed by law. We called A. E. Best and Justice Edward Ballahan and Tarsney Stewart to assist who were each qualified by taking usual oath of assistants. We proceeded to view out survey and mark said Road as specified in the petition for the same. We find the road located on good ground and very much needed from the fact it is the only outlet between upper and lower Vausyelle.

We would, therefore recommend that said road No 328 be declared a public highway.
