who where by the surveyor each duly sworn. We viewd, surveyed and located said Road
 No. 654, as specified in our order. We find said route to be from a point near the
 residence of Louis Ringel Westerly to Wild Horse Creek at the NE corner of the lands
 of Paul Bushman in the NE $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Sec. 32, T. 4 N. R. 35 EWM; thence along the
 North side of the lands of said Paul Bushman 65.31 chains to the public highway,
 running N & S from Athena to Thorn Hollow. This Road across and along the North side of
 of the lands of the aforesaid Paul Bushman is 25 feet wide and the distance is 4310
 feet except the first 307 feet which is 35 feet wide, making a total of 2 54/100
 acres. We find that by reason of the establishment of this road that the said Paul
 Bushman will be damaged in the sum of Two Hundred ninety-six Dollars (\$296⁰⁰) in-
 cluded in this damage is the sum of Forty two dollars (\$42⁰⁰) for the crop of grain
 now in and strip of summer-fallow. We find that the residence of Louis Ringel is not
 reached by any public road heretofore provided by law. We therefore most respectfully
 recommend the foregoing route be declared a public highway, whenever the said Louis
 Ringel shall have paid the above sum of \$296⁰⁰ in full of all damagetherefor.
