

ROAD No

232.

Report of Viewers. Field Notes and Plat of Survey of a change in County Road running from Swifts Station via Prospect to Umatilla on the lands of G. W. Strahon et al.

Road No 232.

Viewers Report.

To the Hon County Court of the State of Oregon for Umatilla County.

We the undersigned reviewers appointed by your Hon Court to review a change in the County Road leading from Swifts Station via Prospect to Umatilla Landing, would respectfully report as follows.

That on the 29th day of July 1884 pursuant to the order of this Court we proceeded in company with A. H. Coffey appointed by this Court to survey said change in said road to review the ground over which the said road is proposed to be turned and find that the distance such road will be increased by the proposed alteration to be about 300 yds, and that said change places said road upon equally as good ground as it now is, and in our opinion such change should be made, and we would report that the prayer of the petitioners is reasonable and ought to be granted, and we would further report that said new road has been opened a legal width and in all respects made equal to the old road for the convenience of travellers.

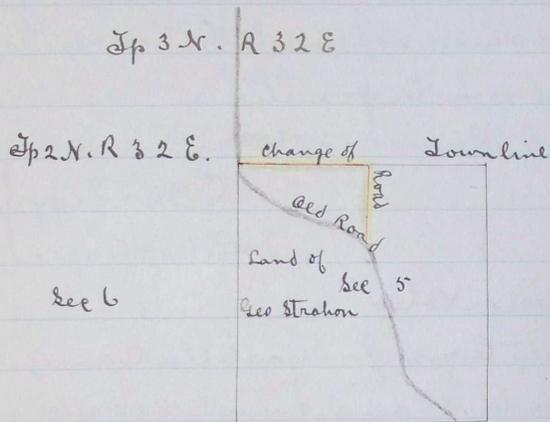

Submitted this 29th day of July 1884.
