 Report Field notes & Plat of County
 Road from Swifts Station to Matilla
 Landing on Columbia River via Prospect
 Farm

We the undersigned viewers appointed to view and report on proposed route for County Road running from Swifts Station to Matilla City met with J. B. Raley surveyor on the 26th day of Aug 1888 and proceeded to view the same we find the distance of proposed Road to be 33 miles & 15 chains and in our opinion is a great improvement over the old travelled Road. after considering the matter we hereby leave to Report favorable and recommend its adoption as a County Road at your next session

Very Respectfully
