We the undersigned having been appointed by your Hon. body to view out and survey a County Road in the above named County and State, would respectfully report that we met at the time and place appointed and after being duly qualified according to law by A. S. Coffey, County Surveyor.

We called to our aid Francis Dugan and W. J. Shelton as chain bearers and J. W. Larkin as marker. We proceeded to view out and survey said County Road to-wit:

Commencing at the S. W. corner of the Court House Block from which we run S 23° E to Webb Street. Thence S 67° W down Webb St. 20.00 chs. thence S 23° E 7.00 chs. thence down the Umatilla bottom to the crossing of Tw Ta Willow. Thence on a southerly course to the lower crossing of Mc Kay Creek. Thence to the summit between Mc Kay Creek and Birch Creek. Thence along said summit along or near the Indian Reservation line to the South boundary of Sec 14, T 1. N. R 32. E. Thence on as near and the most practical ground to intersect the County Road at Hemphills.

We would further report the Road a good practical one and much needed and would recommend that this petition for said Road be granted
