In this matter the Court finds that the Viewers and Surveyor appointed on May 6, 1903, met at the time and place fixed by the Court, when and where each of them took the oath by law required and they then took two suitable persons to act as chain bearers and then proceeded to perform their duties, as the law directs; that a report of the said Viewers, with a correct certified return of the survey of that portion of said road asked to be vacated, and a plat of the same, made and certified by the Surveyor, were filed with the Clerk of this Court on June 25, 1903, prior to the first day of this term of Court, which report of Viewers is in favor of the vacation of the said portion of the road asked to be vacated; and now said report of the Viewers having been duly read in open Court on two different days prior to this day, at this term of Court, and no remonstrance nor any objection of any kind, nor any petition for damages having been filed or made by any person, and the Court having examined into all of the matters connected herewith and all of the papers filed and orders made heretofore, and being now satisfied that the portion of the said road asked to be vacated by the petition of S. P. Gould, W. M. Slusher and others, in this matter, should be vacated and that the same can be vacated without injury, damage or inconvenience to any person, and such vacation thereof will be of public advantage and utility, and the Court being now fully satisfied that the said petition should be granted,
