

**NARRATIVE:**

The purpose of this survey was to mark the boundaries of Lot 11, Block 265, Reservation Addition. Control used is as shown, the Brass Caps were set by the City of Pendleton and the Initial Point of Hillview Addition No. 1. This area is very difficult because of the steep slope and numerous cut banks where people have removed material to make room for their homes.

Bearings are based upon the plat of Reservation Addition.
