

NARRATIVE:

The purpose of this survey was to set the South boundary of that parcel of land belonging to John P. Martin according to a legal description provided by John Martin.

Bearings and distances are based on a survey by this firm dated 11-10-76 for Timmerman, Co. Surveyor No. M-2-C, and including points shown as found.

After staking this property in accordance with said legal description, the lines were moved 15.73 E. feet to fit the improvements on the parcel as requested by John Martin.
