

NARRATIVE:

The purpose of this survey was to establish the North boundary of Block 120, Reservation Addition at the request of the Butterlot Cattle Company.

Checking the plot of Reservation Addition on record at the Umatilla County Courthouse, we verified the lot dimensions as shown on this drawing. Ties were made as shown to a survey by William Wells, Co. Surveyor No. 5-91-B and those pins used to establish the right-of-way of SE 10th and the Union Pacific Railroad.

Bearings are based upon the City of Pendleton local grid.
