

NARRATIVE:

The purpose of this survey is to set the corners of that portion of the W 1/2 of the SW 1/4 of the SE 1/4 of Section 26 lying South of the centerline of the "M" Canal for a pending sale.

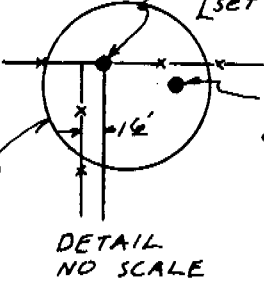

I surveyed the North line of said parcel, which is the centerline of the "M" Canal, in a 1987 Survey for Baggett.

In my Area One 1987 Remonumentation survey for Umatilla County, completed 8-8-88, I found that the monument at the NE corner of Section 26 should move 23.94 feet to the West. This survey is based on the subdivision of Section 26 as I surveyed it in said Area One 1987 survey.
