FIELD NOTES

OWNER: Russell Didion

TYPE OF SURVEY: Boundary

LOCATION: Section 26, Township 6 North, Range 35 EWM

From the stone which marks the Northeast corner of Section 26, Township 6 North, Range 35 EWM, I ran South to the stone which marks the Southeast corner of said Section 26 and at a distance of 1362.24 feet, I set a 5/8" iron pin for the 1/16 corner on the East line of said Section 26. From the stone at the Northeast corner of the said Section 26, I then ran West between this stone and the existing fence corner marking the 1/4 corner on the North line of the said Section 26 and set an iron pin at the intersection of the North line of said Section 26 with the East right-of-way line of the Walla Walla Valley Railroad. From the point so established, I made the survey as shown on the accompanying plat.
