NARRATIVE OF SURVEY

for

PHYLLIS PETERSON SITE # 19
(See Survey Map No. _____)

This survey was performed for the Umatilla Reservation Housing Authority as part of the 12-07 housing construction project. The survey involved laying out a tract of land to accomodate a new homesite.

The South and West boundaries of the tract are located within the exterior boundaries of the Peterson tract. The North and East boundary locations were determined by sectional subdivision and all lines were monumented as shown on the Map of Survey.

For additional information on monuments found which control the boundaries of this tract see Map of Survey No. 82-60-B.
