

NARRATIVE

The purpose of this survey was to divide into two that parcel belonging to Leroy and Betty Ehlers previously surveyed as "Tract IV" by Donald L. Staebler, dated May 5, 1973, Umatilla County Survey Records drawing no. I-41-B. Most of the pins set by Staebler were found as shown on the accompanying drawing. This survey and bearings are based upon said Staebler survey.

- ⊙ denotes 2in. x 2in. square headed iron rod found
- denotes 5/8in iron pin found
- denotes 7/8in. x 30in iron pin with aluminum cap set
