

NARRATIVE:

The purpose of this survey was to partition off a 5.00 acre parcel of that tract of land belonging to Thelma Ferguson.

The Southerly line is defined by the centerline of Cause Creek, the West line was established by tying the SW corner of Section 3 and the North running fence line and using this fence line, the Northerly line is the centerline of Cause Creek Road - County Road No. 613.

A search was made for the W/4 of Section 3 and could not find the 6"x12"x14" stone that was originally set at this location.

We also searched for the NW corner Section 3 and due to the agricultural activities in this area this corner has been destroyed. Therefore our basis for bearing was the North running fence line from the stone at the SW corner of Section being due North.
