FIELD NOTES

OWNER: Wm. Bohns

TYPE OF SURVEY: Boundary

LOCATION: Section 5, Township 3 North, Range 29 EWM

Having found the $1\frac{1}{4}$ " iron pipe marking the $N\frac{1}{4}$ Corner of Section 5, Township 3 North, Range 29 EWM and a rock marking the NW Corner of said Section 5, I then set an iron pin marking the center of Said Section 5. The iron pin marking the center of said Section 5 was set by using ties given by previous survey and descriptions from iron pin found at the point of intersection of the East and West centerline of said Section 5 and the Westerly line of the right-of-way of the OWR & N Railroad Company. With these points located, I proceeded to set iron pins as shown on accompanying plat.
