CERTIFICATE OF UNITED STATES SURVEYOR.

476

I, L. E. Wilkes, U. S. Surveyor, hereby certify upon honor that, in pursuance of special instructions received from the U. S. Surveyor General for Oregon bearing date of the 18th day of April, 191 7, I have well, faithfully, and truly in my own proper person, and in strict conformity with said instructions, the Manual of Surveying Instructions, and the laws of the United States, surveyed all those parts or portions of Townships No. 2 South, Ranges No. 34 and 35 East

of the Willamette Meridian, in the State of Oregon, which are represented in and date diagrams on pages 1 of same and on the dates shown on said diagrams the foregoing field notes, as having been executed by me, and under my direction, and that all the corners of said survey have been established and perpetuated in strict accordance with the Manual of Surveying Instructions, and the special written instructions of the U. S. Surveyor General for Oregon and in the specific manner described in the field notes, and that the foregoing are the original field notes of such survey.

L. E. Wilkes.
U. S. Surveyor.

APPROVAL.

OFFICE OF THE UNITED STATES SURVEYOR GENERAL,

Portland, Oregon, August 26, 191 8

The foregoing field notes of the Resurvey Portion North Bdy. and Resurvey, Retracement and Survey Portion Subdivisional Lines in Township No. 2 South, Range No. 35 East of the Willamette Meridian, Oregon,

executed by L. E. Wilkes, U. S. Surveyor under his special instructions dated April 18, 191 7, having been critically examined, and the necessary corrections and explanations made, the said field notes, and the surveys they describe, are hereby approved.

Edward W. Worth
U. S. Surveyor General.

~~I certify that the foregoing transcript of the field notes of the above described surveys in _____, has been correctly copied from the original notes on file in this office.~~

~~U. S. Surveyor General.~~
