My instructions calling for
 allotments in the S $\frac{1}{2}$ of Sec
 1. of this township, which was
 represented as having already
 been allotted under Contract
 with Currier and Kaland.
 I proceeded to examine
 said section and found
 that 40 acre tracts had
 been surveyed and corners
 established as set forth
 in the field notes of the
 former survey.

FINAL OATH OF DEPUTY SURVEYOR.

I, James P. Plummer
United States Deputy Surveyor, do solemnly swear that in pursuance of

instructions received from Douglas H. Taylor

U. S. Surveyor General for Oregon, bearing date of the 19th

day of March 1889, I have well, faithfully and truly, in my own proper person, and in strict conformity with the instructions furnished by the U. S. Surveyor General for Oregon, the Surveying Manual, and the laws of the United States, surveying all those

parts or portions of the Allotment & subdivis-

ional lines of T. 2 N. R. 33 E

Willamette Meridian, in the State of Oregon, as are represented in the foregoing field notes as having been surveyed by me and under my directions; and I do further solemnly swear that all the corners of said survey have been established and perpetuated in strict accordance with the Surveying Manual, printed instructions, the special written instructions of the U. S. Surveyor General for Oregon, and in the specific manner described in the field notes, and that the foregoing are the *true* field notes of such survey, and should any fraud be detected I will suffer the penalty of perjury under the provisions of an Act of Congress approved August 8, 1846.
