1 & 6, drove charred stake,
dug pit and raised mound
as per instructions.

Land broken, grass
excellent, Soil good 2^d rate,

Township 4 North Range 35 East

The lands in this Township are well adapted to stock raising, along the water courses the lands are very rich, yielding abundant harvest whenever brought under cultivation.

The up lands are thickly covered with buck grass. Valuable Clinias have been located along the streams and in many places on the up lands. Therefore the Township should be subdivided.

August 17th 1866.

A list of the names of the individuals employed to assist in running measuring or marking the lines and corners described in the foregoing field notes of Township number 4 North of the base line of Range 35 East of Willamette Meridian, showing the respective capacities in which they acted:

J. J. Henderson	} Chairman
John A. Bigg	
T. M. Denny	Assessor

None for assessor

I William H. Odell, Deputy
 Surveyor, do solemnly swear that
 in pursuance of a contract with
 E. L. Applegate surveyor of the public lands
 of the United States in the State of Oregon,
 bearing date July 2^d 1866, and in strict
 conformity to the laws of the United States
 and the instructions furnished by said
 Surveyor General, I have faithfully
 surveyed the exterior boundaries of
 Township number 4 North of the Base Line
 of Range 35 East of Willamette Meridian
 in the State aforesaid, and do further
 solemnly swear that the foregoing are
 the true and original field notes of
 such survey.

William H. Odell
