Surveyor General's Office
Olympia W.T. Aug. 24th 1860.

The foregoing field notes of the survey of the First Standard Parallel North through Ranges Nos. 12 to 30 (inclusive) East of the Willamette Meridian executed by Messrs. Hurd & Maxon under their contract No. 50 bearing date February 2nd, 1860, in the month of May 1860, having been critically examined the necessary corrections and explanations made, the said field notes & the surveys they describe are hereby approved.

James Tilton,
Surveyor General, W.T.

E. J. D. B.
Department of the Interior,
General Land Office,

July 30, 1904.

The foregoing transcript of the field notes of the survey of the First Standard Parallel North, through Ranges 25, 26, 27, 28, 29 and 30 East, of the Willamette Meridian, is a correct copy of the official field notes of said survey on file in this office.

de

J. N. F.
Acting Commissioner.
