	From this Cor. I retrace	
	N. 0° 3' W. bet. Secs. 16 & 17	
39.80	Intersect the ¼ Sec. Cor.	
79.80	Intersect Cor. for Secs. 8, 9, 16 & 17.	

Note: I re-chain this line twice in order to satisfy myself that my chaining is correct. The measurement both times was practically the same. Therefore the original notes in my returns for this line should be changed to show this line 79.80 instead of 80.00 Chs.; the ¼ Sec. Cor. being set 40.00 Chs. from the Cor. of Secs. 8, 9, 16 & 17 on sectional correction line.
