

NOTICE OF HEARING
In the Matter of Initiating
Proceedings for Legalization
of a Public Road

THIS IS TO PROVIDE YOU NOTICE that the Umatilla County Board of Commissioners has initiated proceedings to legalize a local access road, located in Sections 13 and 24, Township 4 North, Range 35, East of Willamette Meridian, Umatilla County, Oregon, at its current location as follows:

From the southerly right of way line of County Road No. 642 (Little Dry Creek Road) at its intersection with the West line of Section 13, Township 4 North, Range 35; thence southeasterly across the West Half of the Northwest Quarter, the Southwest Quarter, and the Southwest Quarter of the Southeast Quarter of said Section 13, and across the Northeast Quarter of Section 24, Township 4 North, Range 35, to the East line of said Section 24, at a width of 60 feet; All being East of Willamette Meridian, Umatilla County, Oregon.

A map depicting the general location of the road is attached to this notice. You own property or have an interest in property abutting this proposed public road.

A hearing will be held on December 6, 2000, at 10:30 a.m., in Room 114, Umatilla County Courthouse, 216 SE 4th Street, Pendleton, Oregon, to consider the legalization of this road as a public road, specifically a local access road. All interested persons may appear at the hearing and present evidence relating to whether or not the road should be legalized as a local access road.

This proceeding was initiated after a research of public records could not document that this road had ever been officially dedicated as open to public use. If the road is legalized as a public road, specifically a local access road, the public will have a right of use of the road.
